Märkus

Palun lugege juhiseid tähelepanelikult, enne kui hakkate kokku panema.
Tehke juhistes näidatud toimingud.

Ohutus:

- Mõnel detailil võivad olla teravad servad. Olge nendega töötamisel ettevaatlik. Kasutage kindaid.
- Elektriseadmeid kasutades järgige tootja ohutusjuhiseid.

Kokkupanek:

- Valige tasane pind kasvuhoone elementide kokkupanekuks.
- Polükarbonaatlehti paigaldades suunake nende ultraviolettkiirguse kaitsepool päikese poole.
- Enne paigaldamist eemaldage polükarbonaatlehtedelt kaitsekile mõlemalt poolt.
- Kinnitage kasvuhoone tasasele pinnale, et tagada selle nõuetekohane töö.

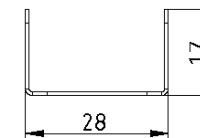

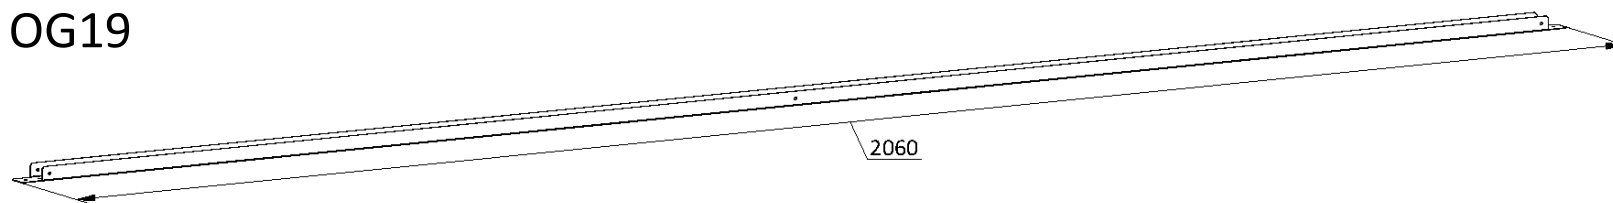

Ärge avage kasvuhoonet tugeva tuule korral.
